2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

CFIS is a Title 1 fundamental school of choice for all students in the CNUSD boundaries. There is a focus on the fundamental philosophy through a structured approach to learning and expectations. CFIS runs an inclusive model for students on Individualized Education Program where students are mainstreamed into the general education classrooms with academic support as an elective. CFIS offers intervention during the school day through Read 180 courses as well as Success for School elective classes. Leadership is promoted throughout the year by teaching the "7 Habits of Highly Effective Teens". Additionally, CFIS offers the International Baccalaureate Program to 7th and 8th grade students. The program is an accelerated honors based program designed to offer advanced math, Spanish, technology and service.

CFIS Beliefs

- The goal of our educational programs is to prepare students to become contributing members of society.
- Education is the key to opportunity and social mobility.
- The success of our school system depends on the commitment of all staff (administrators, teachers, and support staff) to high quality standards, expectations, and performances.
- A safe and supportive learning environment with high standards of learning promote student achievement.

CFIS Mission Statement- The mission of Corona Fundamental Intermediate School is to provide students with a rigorous, standards-based educational program within a safe, supportive learning environment. With an emphasis on problem solving, critical thinking, and effective communication skills, students will become contributing members of society who respect peers, authority, and country.

CFIS Vision Statement-The entire CFIS staff is committed to providing a safe, supportive learning environment, with emphasis on high academic achievement, which will prepare our students to become contributing members of society.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks used in the core curriculum are aligned to the California State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 5, 2023, the Corona-Norco Unified School District's Board of Education held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Education adopted Resolution No. 37 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2023-24 school year, Corona-Norco Unified School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

School Facility Conditions and Planned Improvements

The district's maintenance department inspects Corona Fundamental Intermediate School's on an annual basis in accordance with Education Code §17592.72(c)(1). Corona Norco Unified School District uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs.

The following bond projects were completed in 2022-2023:

- Modernization-New Gym

The most recent school inspection took place on 4/21/2023. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2022-23, all restrooms were fully functional and available for student use at the time of the inspection.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events. Our new Community Assistant is currently working on a comprehensive plan to connect families to CFIS. She is reaching out to families via phone and Zoom to guide them through the return to school. She runs classes on how to access Google Classroom and Parent Connect.

Parents stay informed on upcoming events and school activities through a weekly email/broadcast update, the school marquee, the school website, parent interactive engagement tool, the automated broadcast system, Instagram, Facebook and Tik Tok. Contact the school office at (951) 736-3321 for more information on how to become involved in your child's learning environment.

2023-24 School Safety Plan

The CFIS Comprehensive School Site Safety Plan was updated, reviewed and approved by the school's School Site Safety Committee on September 26th, 2023. Among the key elements of this year's plan is to ensure that students and staff are continuing to follow all safety protocols while on campus. Another key element focuses on communicating and reinforcing the Falcon Way expectations for student safety and responsibility with students, staff and parents.

This year's safety plan is focused on complying with state and federal guidelines regarding active shooter and school threats training. We continue to provide relevant information regarding active shooter training, preventative measures and steps to take in the event that a threat occurs, messaging the proper safety protocols via phone, email and Social Media. The school participates in several active shooter drills throughout the year. Staff are required to view the School safety videos multiple times throughout the school year. Students are also required to view videos on student threats. In addition, the school has created a "See Something, Say Something" google form for students to report concerns.

We have added a second security person to help with supervision. We have also added an additional crossing guard on one of our corners with the highest traffic.

We continue to monitor and update the Safety Plan as needed to ensure the highest level of safety for our students, staff and visitors.

Professional Development

All training and curriculum development activities at Corona Fundamental Intermediate School revolve around the California State Standards. Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis, to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Corona Fundamental Intermediate School supports ongoing professional growth throughout the year. Teachers meet with department level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula. Corona Fundamental Intermediate School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides and paraeducators are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Professional Learning is aligned to the CNUSD Strategic Plan and must have an area of focus in order to be financially supported at the district level. Academic Excellence, Student Well-Being, Equity, and Effective Governance are the four target areas of the Strategic Plan.

1. In 2021-2022, CNUSD had 272 professional learning titles with 737 sessions lasting from 1- 8 hours. CNUSD logged 11,718 staff members attending sessions throughout the year.

In 2022-2023, CNUSD had 265 professional learning titles with 671 sessions ranging from 1- 8 hours, depending on the training and the setting. CNUSD logged 11,512 staff members attending sessions throughout the year.
